

The mayor gave a speech in the rain.
The official in the white cap is my dad.
I took a seat under the tree.
I did the assignment on white paper.
Did you go to the game?
Run for the hills!
Everyone shouted with enthusiasm.
The shoe with the laces are mine.
The people in the boat were vacationers.
The athlete ran the race of his life.
The tuba player performed under the stars.
Many large kangaroos arrived by bus.
Would you ride on that bus?
Will you close the door of the car quickly?
The kangaroo with the red cap is lost.
He ditched us in the park yesterday.
Now he is in captivity.
The house on the corner was painted.
The girl painted under the porch.
The owner selected paints of many colors.
The crew from town worked in the heat.
The boy beside the well seems ill.
The story of the rabbit is my favorite.
The man meets a friend on the street.

The man reveals a rabbit on his head.
The man with the hat is silent.
